Mónica Santos

Mónica Santos is a multifaceted author with two Sophia awards from the Portuguese Film Academy and a nomination for the César from the French Film Academy.
With a unique artistic vision, she builds universes that reinvent reality, giving them a poetic and surreal look that unsettles our perception.
After completing her master's degree at the Royal College of Art on a Gulbenkian scholarship, she worked in various film genres. Nowadays she divides her time between film directing and art direction.
The short films "Amélia & Duarte" and "Entre Sombras", which she co-directed, combine animation techniques with real images and have won national and international awards.
She is a member of the Portuguese Film Academy and the American Film Academy - Oscar.
"Alma" won several awards, and the film "O Casaco Rosa", based on the fascist police inspector, was recently released, as was "Palma", a story about mourning with surreal undertones.
